3. Be spayed or neutered if older than 6 months. Puppies welcome after their first two sets of shots.
4. Must enter and exit building on a leash and wear quick release collars.

All owners must:

1. Sign an application agreement and give all of your dog's medical history.
2. Bring dog in for Meet and Greet to assure good nature and non-aggressive disposition.
3. Represent that you are the sole owner of your dog, free and clear of all liens and encumbrances.
4. Make payment at time of service.
5. Pick up dog by 7:00PM each day. Those who are late will pay \$1 for every 1 minute late. Dogs that are not picked up by 8PM will be kept overnight at your expense of \$50.
6. Reserve daycare visits in advance.
7. Feed your dog prior to dropping off at daycare
8. Not bring dog if showing any signs of illness.
9. Treat your dog with a flea/tic medication in the spring and summer months.

### **The Happy Dog way:**

Meet and greet: Meet and Greet is a free day long observation of your dog with all the other dogs, to observe your dog's personality and to find which doggies your dog plays with the best.

If every thing goes well at Meet and Greet at your dog's next visit He/she will romp both in and outdoors in his/her best suited play group, chase balls, play with toys, wrestle with friends, eat a few treats and maybe catch a nap. Wow, makes you wish you were a dog!

Staff will be supervising dogs at all times. All staff trained in pet first aid and CPR.

Only positive methods will be used to correct behavior.

Hours: Monday-Friday 7AM-7PM, Saturday 10AM-5PM

I have read and understand the above daycare policies and procedures.
